

# DIMENSION FUNDING

## Equipment and Software Financing Made Simple

For over 40 years Dimension Funding has been working with businesses across the U.S. and Canada to provide financing solutions that help them grow their business, purchase equipment, software or increase their working capital.

## OUR DIFFERENCE

- Established in 1978, we have over 40 years of providing financing to businesses across the United States and Canada.
- Most of our staff have been with us for 10 years or more.
- The majority of our sales team has been with us for over 20 years.
- We have a corporate culture that fosters longevity, not only internally, but with our vendors and borrowers.
- Most of our clients have been with us for many years - some for decades.

*Our A+ rating with the Better Business Bureau is a testament to the care that we show to our customers.*

## Working for your Success

### CORPORATE CULTURE

We treat everyone with dignity and respect. This not only includes our customers but everyone from our staff to the cleaning crew.

### EXCEPTIONAL SUPPORT

Our staff has been with us for decades. When you call our support, you speak with the same people each time. You don't start over with a new person with each phone call. Our customer service is there to efficiently and effectively process business in a professional and personal manner, the way business should work.

### VALUES

Our values are reflected in the longevity of our staff. We value honesty, integrity, thoughtfulness and courtesy. Creativity and competence are also very important to us. These are some of our core values.
