

# FUSION SOFTWARE

The Evolution of Retail & Business Solutions

## Fusion POS

FusionPOS is uniquely perfect for Acumatica. It's also fully customizable to your retail environment, size and CRM style. It does it all without losing any functionality of stand alone retail solutions.

- > Fully Integrated with Acumatica ERP
- > EMV Certified
- > Operates without an Internet Connection
- > Fully Customizable
- > Hardware Agnostic

Over **50 Acumatica** customers

## NEW for Summit 2020!

- > Integrated Mobile Shopping Cart
- > Mobile Order Entry / Field Sales
- > New Image Register

## Fusion WMS

FusionWMS simplifies streamlines and enhances Acumatica's out of the box processes. It's intuitive user interface allows direct access to Acumatica's functionality from anywhere there is an internet connection. No duplicate database, no syncing of data.

- > Fully Embedded in Acumatica ERP
- > License Plating
- > Wave Picking
- > Directed Put Away
- > Shipping Integration with Pacejet
- > Physical & Cycle Counts
- > Serial & Lot

Over **50 Acumatica** customers

## NEW for Summit 2020!

- > Shipment Optimization
- > Pack Optimization
- > 3 Level Packing
- > Batch Pick & Pack
- > Multi-Pick / Cross Dock

## Fusion Mobile Commerce

The Fusion Mobile Commerce platform is a unique suit of promotions, brand management and customer retention solutions that allow you to manage every stage of the customers journey: from acquiring new customers to tracking of shopping habits; from marketing campaigns to loyalty rewards across the channels.

- > Fully Integrated with FusionPOS
- > Loyalty Program
- > Customer / Membership ID
- > Rewards
- > Event Calendar
- > Electronic Coupons & Promotions
- > Store Directory
- > Customer Branded App int the App Store & Google Play Store
